OIL WELL NOW DOWN 7600 FT

Indications At Pt. Arena Drillinf Asserted Encouraging

(Special Correspondence of The Press)

POINT ARENA, Sept. 29.—In view of the activity of Gov. James Rolph Jr., in pardoning criminals and commuting death sentences to life imprisonment, which means only a few years, the consideration of which must necessarily take up a great deal of his time, which time could be used to better advantage in attending festivals, dog shows etc., we would recommend the law be changed so a person found guilty of murder would be sentenced to 30 days in the big house; those found guilty of robbery would get 10 days in the local hoosegow, and ordinary pickpockets and common crooks would get a turkey dinner and an apology from the court. This should meet with the approval of sob sisters and others opposed to capital punishment.

In New Location.

Henry Broussard has moved his cleaning establishment from the Foresters' building into the Arena Theater building.

A Deserted Orchard.

Sunday, feeling the need of exercise, we drove to Eureka Hill and walked from there to Jack Opening on the North Fork of the Garcia river. This was our first trip there in 25 years and when we were last there we drove in a wagon. The road, however, has been abandoned and the only means of entrance is by trail. There formerly was about 20 acres in orchard and vineyard in Jack Opening, all in bearing, but this has been cut down by the ravages of fire and bears so only a few trees remain and they are badly broken down with the exception of eight or 10 quince and a dozen fig trees which bear do not seem to touch and that are heavily loaded with fruit this year. It seems a pity for all this fruit to go to waste when so many people are in need.

Returns To Old Field.

Dr. and Mrs. D. H. Marsan, of Berkeley, came up Saturday to visit at the home of Mr. and Mrs. L. J. Siple. Dr. Marsan practiced medicine in Point Arena 25 years ago.

Purchased Dairy Stock.

A couple of cattle buyers were here last week from Los Angeles. They secured about 40 head of milch cows.

To Open A Market.

Mrs. Wanda Galletti and Miss Jessie Gomes of Fort Bragg, were in Point Arena Tuesday. Henry Galletti is in Fort Bragg and is reported to be learning the butcher business with a view to going into the meat business in Point Arena.

Mr. and Mrs. Walter Foster, of Berkeley, came to Point Arena Tuesday for a few days' visit and to look after Mr. Foster's ranch interests here.

Seeking Blackface Bucks.

Arne Ornbaun of Elk, and Harry Weihe, of the X Ranch on Signal Ridge, were in Point Arena Tuesday looking for Blackface bucks They secured four head here.

Mrs. Matt Santarelli of Elk, visited Point Arena Tuesday at the home of her son, William, and wife.

Ranch Was Menaced.

Point Arena has been overcast by a heavy pall of smoke the past week, most of it coming from the Compton section. There is also a fire back of Fish Rock that has endangered the Brush Nutt ranch.

Salmon Are Coming.

Grilse have begun coming into the Garcia and some have been taken. These large trout are the forerunners of the salmon run which should start soon.

How About It?

D. W. Dunbar returned Tuesday from San Francisco and reports his injured leg almost well. He brought a sewing machine along with him, which looks suspicious for a bachelor.

Was On A Jury.

Mrs. Blanche Bishop, of Manchester, was in Ukiah last week on jury duty.

Mr. and Mrs. Walter Higgins, of Cloverdale and Caspar, were in Point Arena Tuesday.

A. S. McCollough, formerly in the employ of the Twin State Oil Co., in the capacity of geologist, came up Wednesday to look over the oil situation. The well is now down 7600 feet, with good indications.

Grape Prices On Coast.

Those of our citizens who like the juice of the grape are now laying in their annual supply. Grapes are selling at from $32 to $40 per ton delivered.

Prof. H. Lipscombe, of Hollister, who has been tuning pianos here at times for the past 20 years, was in this vicinity last week.

Traffic Officer Was Very Badly Injured

Traffic Captain R. S. Ryder was at Willits Friday to see Dick White, seriously injured while in the performance of his duty as traffic officer in northern Mendocino county recently. The injuries of Mr. White are very painful and it will be several weeks before he is able to leave the Willits hospital.

NEW PRINCIPAL IS IN CHARGE

Redwood Valley Classes Are Under Competent Charge

(Special Correspondence of The Press)

REDWOOD VALLEY, Sept. 29.—Mrs. C. Smith, vice-president, will call a meeting of the P. T. A. Friday afternoon at 2:30 to be held in the school auditorium to form plans for the regular business meeting and a reception for the teachers. All members are invited to attend.

Is Class President.

Harley Branson has been elected president of the sophomore class at the Ukiah high school, an honor which Redwood Valley is glad to have bestowed on one of her students.

To Live With Aunt.

Mrs. O .S. Patton and Mrs. J. Jordan and son, Billie, of Glen Ellen, were visitors at the Nels Nelson home last week. Mrs. Jordan has a position as attendant at Eldredge State Home. Her son and daughter, George and Phyllis, will stay at the home of their aunt, Mrs. Nelson and attend school here.

Old Friends Visit.

Mr. and Mrs. G. Torngren were happily surprised Saturday evening when Mr. and Mrs. N. Strohl and Mrs. H. Anderson and E. Longard, of San Francisco, drove in. Mrs. Strohl and Mrs. Torngren were schoolmates in Finland, their home land, and had not met in 25 years. Mr. and Mrs. A. Freeman, of Lake Shoe, were calling at the T. Brydon home last week. Mrs. Freeman and Mrs. Brydon are sisters.

New Principal On Duty.

School opened last week with J. E. Luttrell as principal and teacher for the seventh and eighth grades. Mr. Luttrell came highly recommended, having had 25 years teaching experience. He taught 16 years in Siskiyou county and held position there before coming to Redwood Valley.. Miss Edna Byers, who is teaching the fifth and sixth grades, is located in Ukiah. She was the efficient teacher at Central school last year. Miss Geraldine Wilson, from the coast section, has also had several years experience, and is teaching the third and fourth grades. Miss Florence Ganter, who so capably taught the first and second grades at Redwood Valley last year, is retained for another year.

Mrs. Ethel Nuckolls, of Burlingame, has been passing a couple of weeks at the home of her mother, Mrs. C. H. Wade.

R. Muir has returned from a hunting trip in Lassen county. He was accompanied by friends from San Francisco and the party was very fortunate in getting some fine deer.

Have A Daughter.

Mr. and Mrs. P. Fernbach are rejoicing over the birth of a little daughter, who has been named Clarice. The little stranger weighed eight pounds and she and her mother are getting along nicely. This is the seventh child in the Fernbach home.

Called On Brother.

Clifford Tweedy and brother, Irving Tweedy, stopped off for a brief visit with their brother, Frank Tweedy ,enroute from Grants Pass to their home in Los Angeles.

Mr. and Mrs. Harold Halliday, of San Anselmo, motored here recently in their new Chevrolet sport model car. Mrs. Halliday is a daughter of J. M. Devee and passed the week with her sister, Mrs. Oscar Phillips.

Mrs. Minnie Belveal enjoyed a trip to Richmond last week.

Mr. and Mrs. E. M. Tull entertained at dinner recently Mr. and Mrs. J. E. Jones and family, of Nice, Lake county. Mr. Jones is mail carrier from Upper Lake to Nice.

Want Better Market.

A few of the vineyardists are picking grapes for consignment but the majority are holding off for a possible cash sale.

FOREST FIRES

(Continued from Page One)

Highway Mrs. Toles and Miss Jones were advised to take the Willits-Fort Bragg road to reach their destination. They returned home by way of the McDonald highway, however, with little or no discomfort, bringing back the report the Blossom school, Edith Spender teacher and Louis Fashauer, of Philo, clerk of the school board, had been destroyed. The school has an average daily attendance of eight pupils.

Story Of The Fires.

Characterizing the fires in the woods on the coast "the worst that have prevailed for years," The Fort Bragg Adocate carries the following account:

The worst forest fire in many years swept over the Comptche and Keene Summit sections last week and left a trail of burned homes and blackened landscape. Starting Tuesday forenoon, almost simultaneously in three places on Ramon creek and the south fork of Big river, according to the lookout, fires made rapid headway under the influence of a stiff northwest wind. After it gained in volume it came on like a racehorse and, cutting into the settlement on top of the hill east of Comptche swept away the fine new summer home of Wm. Smith, formerly the John Dietz place; the Hopper ranch, formerly the Cameron home; the Layton farm, formerly the Johnson place, and the Louis Anderson property. The Tatlow Jackson residence, where Miss Alice Jackson has lived alone some years, was more or less surrounded by fire and the outbuilding burned but Miss Jackson's home was saved. This lady refused to leave the place in spite of the danger. Driving on toward Comptche and down the slope the Del Grossi place was next in line of the fire's devouring flight. The men folks there had some warning and made preparation to meet it, and by heroic efforts managed to save the dwelling. Fourteen people had gathered there from the Smith home and the Layton and neighboring places to take refuge. One of these, a lady from Petaluma, with a babe in arms, who was at the Smith ranch, barely got away in time to save her life and that of her child. The Del Grossi's, Victor and Leo, next day were hardly able to see and practically exhausted because of their battle with the flames and smoke.

Many Places Burned.

Sweeping down the hillside from Del Grossi's the flames licked up a fine new dwelling of Pete Ciro and the old house on the property, which was once the Blake home. Mr. Ciro was away from home in Ukiah. Mrs. Comolli, who lived in the old house on the place, in an effort to save something from the fire, was burned about the arms and head. Mr. Ciro is said to have allowed his insurance on his house to lapse about a month ago. Traveling toward Comptche the fire next attacked the new home of Dave Russell only recently completed, and burned it. A successful stand,however, was made at the old Russell house and it was saved. At the Battey ranch an old house was destroyed but the dwelling occupied by the family was saved. The fire swung southward across the road between Ciros and Batteys, burned the two small bridges in front of these two places and swung off toward Keene Summit. The Lang home and big barn were threatened for some time but were saved. The fire's course southward appears to have been erratic as the next home to go down under its onslaught was the Matt Thompson place at Keene Summitt. The Newman place directly across the roadway from Thompson's was saved as apparently were the other homes and ranch houses scattered throughout that territory—the Jens Ottoson place, the former Mack home, and a half dozen others. The Smith place, formerly the Dutch Henry ranch, and the Elliott ranch to the eastward, appear to have been out of the fire's course and to have escaped. The Laytons had practically everything swept away by the fire. So swiftly did it come two horses and several head of young stock were burned to death. On the Del Grossi ranch a goat and a number of chickens were burned.

Lumber Plant Closed.

As soon as the magnitude and seriousness of the fire became apparent, calls for help were sent out and the Mendocino Lumber Company closed its mill and the mill, yard and logging crews, something like 100 men, were sent out to fight the flames.

Warden Roach In Charge.

Fire Warden Thompson from Mendocino went out soon after the the Philbrick ranch have not been Roach went from Ukiah with a crew and a fire truck. Backfiring was resorted to on the eastern part of the Oppenlander ranch and the fire was stopped there and also prevented from reaching the Docker place on the hill north of Oppenlanders. The Halfway house and neighborhood under the fire warthreatened, the fire's course bearing to the south and west of them. Later efforts centered to stop the fire north of Wendling. It had reached the Bald Hill ranch near there. A hundred men from Ukiah and Anderson Valley were in that neaghborhood under the fire warden's direction. A second fire truck is said to have been dispatched from Sacramento to help hold the flames.

Rain Is Necessary.

There is yet much danger in the Comptche section because of the wide scope of the fire and the dry condition which will keep snags and logs burning days until a rain comes to put them out. However, there is a big force of men at hand well equipped and it is expected all ranch houses and buildings left can be given the necessary protection. The fire had swept over an area about three miles wide and 10 miles long.

Machines Were Destroyed.

A serious loss suffered by the Del Grossos were five automobiles and trucks on the place which were consumed when the flames swept over their ranch. Headquarters for the big crew of fire fighters was established at Mrs. Hannah Ottosen's. The Mendocino Lumber Company sent out a large quantity of provisions for the homeless families and others also aided. These families were cared for at neighbor homes in Comptche. Several families lost everything they had and are deserving of generous aid.

Raced For Life.

The home of Mrs. Martin Breslauer at Mountain View between Boonville and Point Arena was one of the others destroyed in the fire, it was reported. Mrs. Charlotte Layton bundled her three small children into an automobile and drove with them to safety through a lane of crackling and blazing brush. David Russell also saved his three-year-old son by running through the fire.

Action Taken Here.

At a meeting of Ukiah Chapter of the American Red Cross Friday evening in the Chamber of Commerce headquarters in North State street D. C. Smith was appointed to receive offers of money and clothing for relief of fire sufferers in the Comptche district. Miss Mary Jones, of San Francisco, local field representative of the Red Cross, who was present, requested any donations should be given to the Red Cross in order to facilitate delivery. Miss Jones is now at the scene of the fire looking after emergency relief. Fort Bragg and Mendocino chapters of the Red Cross have been most generous, but there is still much to be done before rehabilitation can take place.

Injured In Accident Motoring In Nevada

Robert Stambaugh and wife, while in Nevada last week, met with an accident which badly hurt Mrs. Stambaugh, breaking her shoulder and otherwise injuring her. The car was completely demolished. Mr. and Mrs. Stambaugh reached home Sunday night.

RALLY DAY IS SUNDAY NEXT

Elaborate Services Will Occur At Methodist Church Oct. 4

The Ukiah Methodist church will observe Rally Day next Sunday in all departments. At 9:45 all classes above the primary will meet in the social hall of the church for a special program the feature of which will be a one-act play by Marguerite H. Bro. The play is one of race prejudices and the program of the average church. It has 18 characters.

A Message To Parents.

This will be followed by the morning worship at 11 o'clock. The pastor's Rally Day message will be largely to the parents, entitled "Parents Must Not Resign." Music will be furnished by the chorus choir under the direction of P. H. Joseph. Mrs. Rob Thomas will preside at the console of the Moller organ. The public is invited to these services.

The Evening Program.

The Epworth Leagues will have Rally Day programs at 6:30 p.m. Mrs. Leila Williams will have charge of the senior group. Brief addresses will be given by heads of departments stating the significant features of their programs for the fall and winter, in connection with the evening services at 7:30. The Young People's Choir, directed by Zeke Reynolds, will sing. The entire church membership should be present for this service.

JENNER BRIDGE

(Continued From Page One)

Breakfast At Point Arena.

The caravan originating in Ukiah will pass through Boonville at seven o'clock. Both units will converge at Point Arena at 9:30 o'clock, where a light breakfast and coffee will be served. The caravan will arrive at Jenner at noon, where luncheon will be eaten, each to bring their own basket lunch.

BOUGHT A RANCH

The Rutherford ranch in Potter Valley was sold recently to John Allen, a taxpayer of Sonoma county. The ranch contains 80 acres of fertile valley land, about a mile south of the power house of the Pacific Gas & Electric Company.

HAD OPERATION

Junior Anker, the young son of Mr. and Mrs. Neil Anker, is in Shrine Hospital, San Francisco, following an operation on both feet and legs, which are in plaster casts.

ANOTHER DOG POISONED

Walter Storer lost another dog this week, the result of poison, and it is said several dogs in South State street have died from poison thrown in the yards of homes. Word from San Francisco last week was to the effect the contents of the dog's stomach, sent to a chemist for traces of the poison responsible for the death of 12 dogs recently, contained no strychnine but failed to state the nature of the poison and the local sheriff's office has wired back for a more definite report.

PRESBYTERIAN SERVICES

Dr. Lynn T. White, D. D., of San Rafael, will preach at the Presbyterian church Sunday morning at 11 o'clock. Dr. White's subject will be "What Shall I Do In My Doubt?"

Mrs. Zel G. Jones Is Victim Of Weak Heart

Mrs. Zel G. Jones, wife of Geo. B. Jones, while visiting friends in Scotts Valley last Friday night dropped dead. The deceased was a daughter of J. E. Reilly, who for many years was superintendent of The Navarro Lumber Co. Her mother was a daughter of John Gschwend, who settled in Anderson Valley in 1857. Deceased was 45 years of age. Interment occurred Monday at Boonville.

COAST JUDGE IN TOWN

Judge John F. Murray, of Mendocino, who is making a first-class justice in his township, was in the city Monday, returning Tuesday morning to his home.

Mr. and Mrs. Elmer Adams have moved from the Van Dusen property in West Perkins street to the Dolores Apartments.

Mr. and Mrs. W. T. Rice and children were at Lucerne Sunday attending the boat races. They were accompanied also by their daughter, Mrs. Marie Parsons, and children, of Porterville.

"How can I get ahead financially?"

This is one of the most important questions on the minds of many local people. There is only one answer, "Don't spend it all." Easy to say, of course, but we have a plan that will make saving a certainty. Inquire at the bank today!

VETERANS WILL HOLD MEETING AT LUCERNE—BIG TIME PLANNED

Reunion Is To Take Place At Lucerne And Elaborate Details Are Being Worked Out—To Recall Old Days

(Special Correspondence of The Press)

HOPLAND, Calif., October 20. — Jerry Hart, of Lakeport, was in Hopland recently regarding the big "Vet" affair to take place near Clear Lake, when "buddies" from all over the state will gather for a "stag" camp, as they did so successfully last year. Everything will be very military in detail during the 48 hours of the encampment, save their leisure time when diversions reminiscent of war days will be revived.

Miss Elizabeth Bradley, of San Francisco, the greater part of whose life was passed in Ukiah and Lakeport, has been very ill. She is the guest of Mesdames G. A. Sturtevant and Arthur Stipp and of Dr. Ernest Fine, of Crescent City.

Mr. Dooley Very Ill.

Frank Dooley's illness continues a matter of great concern to his family here and abroad. H. Dawe, of Sebastopol, a brother of Mr. Dooley's late mother, visited him recently. He was accompanied by his son, Walter, a prominent business man of Los Angeles. The gentlemen were the guests of Mr. Dawe's sister, Mrs. Henry Gibson, of East Hopland.

Mr. and Mrs. Henry Brookes and her nephew and his wife, Mr. and Mrs. Lortz, are leaving soon for a tour of the middle west—the old home of Mrs. Brookes and her nephew, Mr. Lortz. The party anticipate a delightful time. Their relative, Mrs. Phelps, of Sausalito, was their recent guest. Mrs. Phelps, Mr. Lortz mother, has property interests here and was a former resident of Sanel Valley.

Found A Rosary.

Miss Lola Duarte, the always popular dining room supervisor of the Hopland Cafe, found a Rosary near the cafe. Such a sacred loss Lola is anxious to have The Press broadcast, hoping thus to return a precious thing to the owner, if possible.

Mrs. Percy Hopper is the ever active employe of Hopland's bank, as usual.

He Can Do It.

A group in the postoffice discussed the recent baseball game of Mendocino's pioneering brought to light by Guy Haskett. Mr. Haskett is a reticent historian but he knows his Mendocino quite as accurately as his late uncle, Edward Bauers, a very brilliant man, who used to bud forth occasionally during the years and write most charmingly of Mendocino's beginnings. No hackneyed style was his, as having studied at West Point and other equally famous places of learning, he had a background to write well and he did. "Guy" or his sisters, the late Mrs. "Doc" Hart or charming Mrs. Walter Brandstrand she and her husband were both ex-Mendocino officials [illegible] given it to you with pleasure of which likewise his mother. Forest Ranger Has To Go To Hospital

Ed Nelander, of the Ukiah district forestry service, went to San Francisco Saturday for examination by a specialist. A week ago, while supervising the fight against a threatening fire on the Mendocino county coast, Mr. Nelander suffered burns on the left foot. He was instructed by his physician to keep off his feet, but insisted on continuing in active service. As a result the burns did not heal and it was feared infection would set in.

TO LIVE HERE

W. P. Burke and family have moved from Boonville to the Nick Cocking ranch on the Ukiah-Boonville road. Mr. Burke was in town Saturday and declared himself a resident of Ukiah from now on, since he will receive his Republican Press at the local postoffice.

CHOIR MEMBERS DINE

P. H. Joseph announces the Methodist choir will have an informal dinner at 6:30 Thursday evening. All members of the choir and their husbands and wives are invited. Choir practice will follow at 7:30.

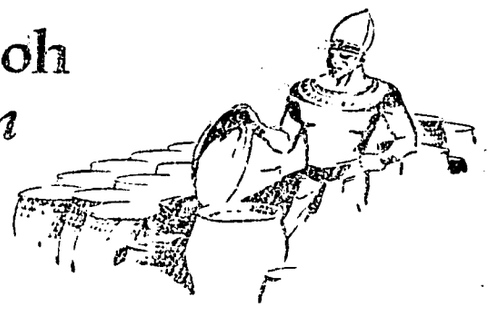
BUILDERS OF CALIFORNIA

Did Pharaoh *give them* corn *or* Wheat?



ALL *of the* 5 largest milling companies in California are depositors in Bank of America

WHAT GRAIN saved the starving Egyptians? Original translations say, "Pharaoh gave them corn". But many authorities now believe it was actually wheat. For wheat has been found in the tombs of the Pharaohs.

And wheat is still the "staff of life" today. California mills alone use 10 million bushels yearly, produce two million barrels of flour.

Statewide in production and distribution, the grain industry uses Bank of America's unique facilities from ranch to retail store.

Funds advanced by this Bank assist growers to finance their yearly crops.

To milling companies, Bank of America extends seasonal credit, under prudent safeguards — as an aid to economical distribution.

Assisting to finance domestic and export shipments, the Bank makes collections; transfers funds to and from the markets of the world.

The cycle from ranch to retailer is completed by Bank of America's service to 600 baking companies and 4,000 grocers throughout the state. . . . A nearby branch brings the same modern banking facilities almost to *your* door.

Next Time you buy Gasoline
REMEMBER THIS

VIOLET RAY GASOLINE

..IF it is violet colored and the pump is labeled VIOLET RAY ...it cannot contain any injurious acids

..IF it is not violet colored and the pump is not labeled VIOLET RAY ...it may contain injurious acids

Acids in gasoline are accountable for many of the motor troubles and operating costs which you have always assumed were the unavoidable result of normal wear.

When acids corrode the needle valve in your carburetor, gum and pit the valves in your motor, attack bearings, pistons, piston rings and cylinders . . . gasoline consumption is bound to be increased, power lost, performance impaired and repair bills increased. Why change the results of normal wear and tear by using gasoline?

There is only one way to avoid the trouble and expense. Use gasoline free from acids. And there is only one way to know that the gasoline you buy is acid-free —

YOUR ONE AND ONLY ABSOLUTE GUIDE IS THE VIOLET COLOR OF . . . .

VIOLET RAY
ACID-FREE GASOLINE

The least presence of acids would immediately destroy its violet color and turn the gasoline back to white. Any other gasoline (white or colored) may contain these acids without your knowing it.

The Violet Ray process of refining which eliminates injurious acids from Violet Ray gasoline is protected by seven U. S. patents. These patents are owned and controlled by General Petroleum Corporation and are not subject to use by any other refiner on the Pacific Coast.

COSTS NO MORE THAN WHITE GASOLINE
